ABOUT EASTLINK

ConnectEast is the owner and operator of EastLink, Melbourne's second fully-electronic tollway and, since its opening in June 2008, already one of the busiest roads in Victoria.

EastLink comprises about 39km of freeway-standard road and connects the Eastern Freeway in Melbourne's east to the Frankston Freeway in the south. EastLink also includes the Ringwood Bypass and Dandenong Bypass as untolled additions to the state road network.

EastLink was delivered by ConnectEast under the Victorian Government's Partnerships Victoria framework with a construction cost of Au\$2.5 billion.

The motorway saves drivers valuable time and provides the fast-growing eastern and southern regions of Melbourne with a more efficient and accessible transport network, as well as a 35km shared bicycle and walking path for local residents, wetlands and revegetation of open space areas and parkland.

Currently EastLink employs more than 180 people in a range of highly specialised operational and support roles across the organisation including:

- Asset and Road Management
- Information Technology
- Corporate Affairs
- Customer Service
- Finance
- Operations
- Legal
- Human Resources
- Marketing
- Risk, Safety and Internal Audit

With the lowest private tolls in Australia, EastLink is committed to providing Victorians in Melbourne's rapidly growing eastern and south-eastern suburbs with an affordable travel option, supported by high quality and friendly customer service.

OUR VALUES

We Care about our employees, colleagues, customers, the environment and the EastLink asset.

Safety is at the forefront of all of our decisions, we look after each other and everyone on EastLink.

We encourage **One Team** and share ideas across the organisation and with others and turn what we learn into smarter ways of working.

We deliver on our commitments and take **Accountability** for our own actions.

ABOUT THE POSITION

THE DEPARTMENT

EastLink's Customer Contact Centre has been established to ensure customers can communicate their needs by face to face, telephone, integrated voice recognition, SMS and email. Customer Contact must achieve a level of service that meets or exceeds KPI requirements which include customer service conduct, handling and reporting customer complaints and assurance of customer privacy requirements.

THE POSITION

The role of the Customer Service Operator is supported by a Team Coach and Team Leader in the delivery of quality customer care. The objectives of the position are to:

- provide a courteous high quality response to customer enquiries, requests for service and business transactions received by telephone
- enhance and promote EastLink's public image and the effectiveness of the Contact Centre Team by acting as a key link in the relationship between the organisation and its customers
- support the operations of EastLink in accordance with service levels and standards.

ROLE RESPONSIBILITIES

Provide timely, accurate, courteous and high-quality service to customers through telephone and other customer service channels. The role is responsible for responding to customer enquiries, processing transactions and resolving requests within established policies, procedures and delegated authority, while representing EastLink professionally and contributing to the effective operation of the Contact Centre.

Customer Service

- Provide timely, accurate and professional service to customers across relevant customer service channels.
- Understand customer needs, provide appropriate information and resolve enquiries within scope and delegated authority.
- Manage challenging interactions professionally and escalate matters when required.

Systems, Transactions and Accuracy

- Use relevant systems to access and update customer information and process transactions accurately.
- Follow established processes to ensure customer information, transactions and records are accurate and complete.
- Maintain required standards for productivity, quality and accuracy.

Compliance and Performance

- Apply ConnectEast policies, procedures, work instructions and relevant legislation.
- Meet agreed performance, quality, adherence and customer service requirements.
- Protect customer and company information and maintain confidentiality.

Teamwork and Development

- Work collaboratively and contribute positively to Contact Centre performance and culture.
- Participate in training, coaching, knowledge sharing and development activities.
- Maintain current knowledge of products, processes, systems and customer service requirements.

Continuous Improvement

- Participate in projects, initiatives and improvement activities.
- Identify and communicate opportunities to improve customer experience, processes and efficiency.
- Undertake other reasonable duties consistent with the role and business requirements.

KEY SELECTION CRITERIA

FORMAL EDUCATION

- Year 12 or an equivalent.
- Relevant customer service, customer contact or telecommunications qualifications are desirable.

KEY SELECTION CRITERIA

Advertised vacancies often attract a number of very good quality candidates so it is in your best interest to prepare an application that will demonstrate to EastLink that you are able to satisfy the requirements of the role.

Before you begin your application it is important that you read this document carefully and decide whether your skills and abilities match the requirements of the position. If you require additional information to make this assessment it is recommended that you phone Human Resources for a confidential discussion.

You may also wish to research additional information which may be sourced from documents found on our Internet site – www.eastlink.com.au

The key selection criteria outlined in the advertisement and/or this document describes the essential areas against which EastLink will assess your employment application.

This is the most important part of your application as it is your opportunity to inform EastLink about your skills, abilities and experience. Under each key selection criterion you should outline your relevant skills and abilities and give relevant examples that demonstrate that you meet the requirement.

The information you provide against the key selection criteria will form the basis for short listing candidates for further consideration. It is important that you address each criterion thoroughly but succinctly and include only information that is relevant to the position.

SUBMITTING AN APPLICATION

Written applications are to be sent to the address nominated in the advertisement or this document. Your application must arrive before the advertised closing date to ensure consideration.

As outlined above, your application covering letter should contain statements addressing the selection criteria. In addition, a resume, which includes your personal particulars including day time contact details, employment history (list your most recent employment first), relevant qualifications and the names and contact details for at least 2 recent referees, including current manager or supervisor should also be provided.

Some things to remember:

- Be concise and organise your application
- Provide relevant examples when addressing the selection criteria
- Please don't include copies of qualifications or certificates (these can be obtained later)
- If forwarding your application by mail, please don't insert your application in folders, they are only discarded and disposed of prior to your application being considered

Please be advised that applications which do not include a covering letter addressing the selection criteria and a current resume will not be considered.

SELECTION ACTIVITIES

The selection process for this role consists of a number of important components all of which require success to be eligible for an appointment.

INITIAL SCREENING

The selection process begins with EastLink reviewing your resume and making an assessment of your skills, knowledge and abilities giving consideration to our education, experience and employment history and assessing their relevance to the requirements of the position. It is important, therefore, that your application addresses all aspects of the selection criteria as clearly as possible. Spelling and grammar are an important element to your application, so you should review your application carefully prior to sending.

TELEPHONE SCREENING

Human Resources may contact you by telephone to discuss your application and the position further. This is your opportunity to represent yourself, and to discuss why you have applied for the position. You will be able to talk about your expectations and find out more about the position and work environment.

INTERVIEW

Short listed candidates will be interviewed by a small selection panel at either EastLink's Ringwood Office. If you have any special requirements (eg. disabled parking, wheelchair access) please contact Human Resources so that appropriate arrangements can be made.

The selection panel will ask you a series of behaviour based interview questions related to the selection criteria. At the interview, the panel will be seeking to determine your relative strengths and weaknesses in relation to the position by asking you about specific examples or occasions when you have displayed the required competencies.

You will have the opportunity to ask questions, given the chance to demonstrate your interest in and understanding of the position and its duties. You should allow up to an hour and a half for an interview. It isn't necessary to bring anything with you to the interview.

Candidates short listed at this stage of the selection process may be required to attend a second round interview.

TECHNICAL SKILLS ASSESSMENT

Short listed candidates may be requested to complete technical competency assessment following the interview.

QUALIFICATIONS

If you list formal qualifications on your application, please note that you may be required to provide the original qualifications at any time during the selection process.

However, if you are the successful applicant, either on engagement, promotion or transfer, you will be required to provide the original qualifications prior to commencement in the position.

PRE-EMPLOYMENT CHECKS

EastLink is committed to providing a safe and healthy working environment for its employees, contractors and visitors. To achieve this, EastLink strives to ensure that employees are not required or permitted to undertake work for which they are not suited and to take appropriate measures to allow work to be done in a manner which will not put any person at risk to their health and safety.

To assist EastLink in achieving this objective, short listed candidates will be required to complete a pre-existing health declaration and must disclose any/all pre-existing injuries or diseases suffered, which, they reasonably believe could be accelerated, exacerbated, aggravated or caused to recur or deteriorate by them undertaking this role.

Short listed candidates may be required to undergo a vision assessment by an Optometrist and a hearing assessment by an Audiologist prior to commencing employment. The cost of this consultation will be met by EastLink.

REFEREES

In accordance with EastLink policy a minimum of three (3) professional referees are required. This should include, where practicable, the most recent manager / supervisor who can be contacted to discuss the employment application.

ELIGIBILITY FOR APPOINTMENT

Candidates who complete the selection process and meet all the selection criteria will be eligible for appointment with EastLink. Where there are more eligible candidates than available positions, offers of employment will be extended to those candidates whose attributes are most closely aligned with the organisation's requirements.
